### **LURIE: STATE OF THE CITY DEFINED BY BROKEN CITY HALL BUREAUCRACY**

**SAN FRANCISCO**—Today, after Mayor Breed delivered her State of the City address, Daniel Lurie responded with the following statement.

*“The state of San Francisco is one that can be defined by a broken City Hall bureaucracy that protects insiders and rewards corruption while wasting record budgets.” **said Daniel Lurie, a father of two, non-profit founder, and lifelong Democrat.** “Not once did the mayor propose the magnitude of reform that our city desperately needs. San Francisco’s best days are ahead of us if we muster the courage to usher in a new era of accountable leadership and new ideas. That will never come from someone who has failed to deliver on their promises after more than a decade in office.”*

###

*Daniel Lurie was born and raised in San Francisco. He founded Tipping Point Community in 2005. Under his direction as CEO, Tipping Point has raised over half a billion dollars to help house, employ, educate and support hundreds of thousands of Bay Area families. Last year alone, Tipping Point provided over six thousand people with services that either helped them transition out of homelessness or prevented them from experiencing it.*

*Last year, he co-founded the Civic Joy Fund, an organization that aims to increase civic engagement and assist in the economic recovery of San Francisco. Daniel also led efforts to construct an 100% affordable housing development with union labor on Bryant Street that came in on-time and under budget.*

*Former Mayor Ed Lee selected Daniel in 2013 to lead the San Francisco Bay Area Super Bowl 50 Host Committee, an effort that brought over \$240 million in economic impact to the region. Following the devastating fires in the North Bay in 2017, Daniel and Tipping Point partnered with 90 Bay Area business and community leaders to organize Band Together – a benefit concert that raised \$17 million for those hardest hit by the deadly fires. In total, Tipping Point’s Emergency Fire Relief Fund raised over \$34 million.*

*Lurie is a lifelong Democrat. He lives in San Francisco with his wife Becca and two school-aged children.*
